

COLUMBUS – DIVISION OF FIRE

Fire Inspector – Jeff Barnett

Fire Safety Commendation Award

With over a decade of dedicated service to the bureau, Inspector Barnett has exemplified exceptional commitment to fire prevention and public safety.

He began his career in the Fire Prevention Bureau more than ten years ago. Through meticulous inspections, rigorous code enforcement and proactive educational initiatives, Inspector Barnett has significantly contributed to reducing fire risks and enhancing public safety.

Over the years he has conducted inspections in commercial, industrial and health care settings. His keen eye for detail and comprehensive knowledge of fire codes has ensured that buildings are up to standard, directly preventing potential fire hazards.

His expertise has been instrumental in identifying critical safety violations that, if left unaddressed could have led to catastrophic outcomes.

Throughout his career, Inspector Barnett has consistently demonstrated outstanding professionalism, integrity and a steadfast commitment to the well-being of others.
